## General Studies Major

*Program Director: Krista S. Mallo, M.A.*

The General Studies Major is designed for students whose vocational objectives are not yet clear, and who are seeking a well-rounded undergraduate education. It allows students the flexibility to design their own programs and to broaden their academic studies. This major would be appropriate preparation for additional studies at the graduate level or for individuals anticipating attending seminary.

Students successfully completing this program will demonstrate:

1. Advanced skills in written communication,
2. Advanced knowledge of the Western intellectual tradition, and
3. Advanced ability to integrate their Christian faith with the content areas with general studies.

Program: Students select ten courses that were not taken in the General Studies or Bible and Theology core. Students select 30 credits of Open Electives, 18 credits of which must be approved by the Program Advisor. Students will also complete two semester long internships in an area of practical Christian service.
