

Bachelor of Arts

Psychology Major

Counseling Concentration

Program Co-Directors: Elizabeth Earle-Warfel, Ph.D. and Leslie Rewald, M.S.

Purpose: The Psychology Major, with a Counseling Concentration, provides the student with the academic and professional preparation necessary to work in the field of counseling or to continue studies in graduate school.

Program Outcomes/Goals:

1. Students will have a basic understanding of the major concepts, theoretical perspectives, empirical findings, and historical trends in psychology.
2. Students will have the ability to weigh evidence, act ethically, and integrate Christian values with psychology as a discipline.
3. A student will display professional skills in the area of his or her concentration.

Bold indicates courses in the Bible and Theology Core.

Italics indicates courses in the General Studies Core. Regular type indicates courses in the major.

Following Admissions Assessment, the following courses: **BIBL1101 Basics of Biblical Living** (Fall), **BIBL1102 Christian Belief and Scripture** (Spring) may be required during the freshman year in lieu of Bible/Theology electives. Adjustments will be made to satisfy all other course requirements of the degree.
