

General Education

PROGRAM DESCRIPTION

Clarks Summit University exists for the primary purpose of preparing men and women to pursue selective Christian ministry careers for which the Biblical Studies major is foundational or essential. Since not all students are certain of career direction, the two-year General Education program offers a basic program of general education coupled with biblical studies that provides a foundation for the further pursuit of Christian ministry or continued studies at Clarks Summit University or another institution of higher learning.

PROGRAM OBJECTIVES

Upon completion of the General Education program, the student will:

- Demonstrate a deepening love for and commitment to biblical values.
- Possess a basic knowledge of the Bible and theology.
- Be able to articulate a Christian worldview based on the integration of the biblical and general studies curriculum.
- Demonstrate knowledge and appreciation of some of the fundamental skills requisite for local church ministry.
