

## Secondary Education—English

### PROGRAM DESCRIPTION

The purpose of the Secondary Education English program is for students to gain pedagogical and content skills in the field of English as they work toward program completion and certification. During this four-year program, students will prepare in the general education arena in conjunction with English specific skills including grammar, writing, literature, and communication.

### PROGRAM OBJECTIVES

Upon successful completion of this major, the students will:

- Plan and prepare units and lessons that reflect a pedagogical mastery of English content: grammar, writing, speaking, reading and literature.
- Create and maintain a classroom atmosphere that fosters student learning, provides a safe environment, and equips students to be life-long learners of language and communication.
- Deliver lessons that reflect appropriate choices of student objectives, varied teaching methods, and fitting assessment tools such as rubrics, rating scales, achievement tests.
- Sustain professional behaviors in personal development in language, literature, communication, and research-supported pedagogical practices.
- Sustain practical relationships within a school community, undergirded by ethical integrity.

**DEGREE:** Bachelor of Science in Education
